Dear Steve,

I wanted to take this opportunity to thank you for the awesome job your company did on my kitchen repair.

Everyone, Carl, Oscar, Beverly, Martha, Jose, Eduardo, Peter and Juan were so professional and a pleasure to work with.

My new kitchen counter top and backsplash are so beautiful I could not be happier. From start to finish everyone was great. All the guys who did demolition to preparation to finish were polite and neat and cleaned everything up before they left each night. Juan did such a fantastic job laying the tiles. Words cannot express how much I appreciate the job he did.

Thank you again for a great job.

Sincerely,

Anita Parrinello
